Acting Head teacher: Ms Kay Adams

September 2026

Dear Parents/Carers,

I am delighted to introduce myself as the Acting Headteacher and Director of Eastern High Community Campus, and to warmly invite you to our **Open Evening on Thursday 1st October, from 3.30pm to 7.00pm**.

This event is a wonderful opportunity to explore our school, meet staff and pupils, visit subject areas and learn more about the opportunities available at Eastern High. There will be a presentation in the main hall at **3.45pm** from myself and colleagues, which will provide an insight into life at Eastern High and what you can expect from us. Our Senior Leader responsible for Transition will also speak during the evening, explaining the transition process and helping you understand what to expect over the coming months as your child prepares to move from primary to secondary school.

We understand that choosing a secondary school is one of the most important decisions you will make with your child and, for many families, the process can feel daunting. At Eastern High, our vision is for every pupil to **"Flourish in Life"**. We are proud to be an inclusive, ambitious and caring community where every young person is known, valued and supported to achieve their very best.

We work hard to make our vision a reality through high-quality teaching, exceptional pastoral support and a wealth of opportunities both inside and outside the classroom. Here are just a few highlights:

- We offer exceptional pastoral care, ensuring that every child's wellbeing, personal development and sense of belonging are prioritised throughout their time at school.
- Our GCSE results continue to improve, with a record number of students this year achieving higher grades (A*-B) and progressing successfully to A Level and Level 3 courses.
- We offer a wide range of extra-curricular experiences, including sport, performing arts, leadership opportunities and educational visits, helping students to develop confidence, resilience and independence.
- Our high expectations for attendance, behaviour and achievement help create a calm, purposeful learning environment where all pupils can thrive.

We know that a successful transition is key to helping young people settle into secondary school confidently. Our dedicated transition programme enables us to work closely with partner primary schools and families to ensure that pupils feel welcomed, supported and excited about joining our community before they even start Year 7.

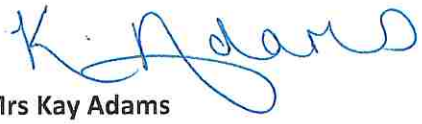
Above all, we want every child to feel safe, happy and proud to be part of Eastern High. We believe that when pupils feel a genuine sense of belonging, they are best placed to achieve academic success, develop strong relationships and flourish both in school and beyond.

If you are unable to attend the Open Evening, please feel free to contact the school to arrange a visit at another time that suits you.

To make the most of your visit, we kindly ask that you arrive by **6.30pm** at the latest. The evening will finish at **7.00pm**.

We look forward to welcoming you to Eastern High and sharing more about our vibrant school community.

Yours sincerely,



Mrs Kay Adams
Acting Headteacher and Director
Eastern High Community Campus
