Parent Update

Friday 20th November 2026

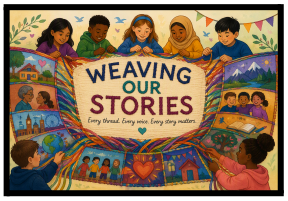
Our Updated Website

You may have noticed that our website has been updated. The website address remains the same: https://www.bishopchildsprm.co.uk/

There have been some changes here and there which should give anyone visiting the site a better browsing experience, particularly when using a mobile device.

You are now able to search the site for things of particular interest, such as INSET days and school trips. Please let us know if you come across any 'teething problems'.

PS2 Parent Showcase

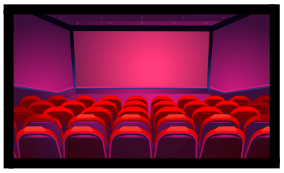


Friends and family of pupils in **Cwtch 2 and Cwtch 3** are welcome to pop into school on **Wednesday** (25th) from 2pm to find out more about all of the hard work and fun that has been happening in their child's class since September. You can have a go at activities alongside your child, as well as enjoying the displays. Please come to the hall doors, where staff will be waiting to greet you.

Offsite Visits

Our football team will be playing away at Willowbrook Primary after school on Wednesday. Mr Mortimer is the person to contact if you need any further information.

Cwtches 4, 5 and 6 will be enjoying a trip to the cinema on Thursday 26th November. Class teachers have already sent out details, but please contact us if you have any questions.



Parent Update

Friday 20th November 2026

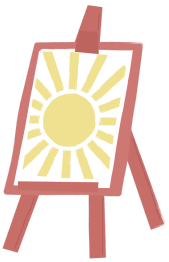
Book Fair

The autumn term book fair will be opening in the school hall on **Friday 27th November, straight after school**. Research by the National Literacy Trust has shown that reading for pleasure has **MANY** benefits, including:

- ★ Helping everyone to better understand each other
- ★ Building confidence
- ★ Sparking imagination
- ★ Expanding horizons
- ★ Supporting learning

Every child is different. The book fair offers a range of affordable ways to read, from craft books to code breaking; there's plenty on offer to capture your child's interest and enthusiasm.

Classroom Visits



Looking ahead, parents of children in all cwtches are invited to visit their child's classroom **straight after school on Tuesday 1st December**.

You will be able to take a look at displays, see examples of work and play across the curriculum, explore some of the resources your child is learning to use, as well as checking out their online and written work. Teachers will be on hand to explain how learning is organised and to talk about the many ways in which progress is being made. Please feel free to ask any questions you may have.

Please wait on the playground until your child's teacher has safely handed over all of the children in the class; they will then invite you to come in. Those with more than one child in the school will be able to make their way from one classroom to another. Staff will be happy to direct you.

Christmas Nativity Plays

… A reminder about tickets

Performances take place between Monday 7th December and Thursday 10th December. Please visit the diary page of our website to see the date and time of your child's production.

So that families have plenty of time to make arrangements, tickets are available to purchase until **2pm on Friday 27th November**.

Parent Update

Friday 20th November 2026

To ensure that we do not exceed the capacity of the school hall and that every family has a fair opportunity to attend, **each child** has been allocated a set number of tickets. The number available varies between year groups because of the different numbers of pupils taking part in each Nativity production.

Ticket Allocations

- **Cwtch Derbyn and Cwtch 1**: **4 tickets per child**
- **Cwtches 2 and 3**: **3 tickets per child**
- **Cwtches 4, 5 and 6**: **2 tickets per child**

You will be able to purchase tickets at the 'School Shop' on the Arbor app.
Tickets cost £2.50 each

Important Information
Please take careful note of the **TOTAL number of tickets** that your child has been allocated. You are welcome to divide your allocation between different performances if you wish. For example, if your child has been allocated four tickets, you may choose to book two tickets for one performance and two for another. However, the total number of tickets ordered **must not exceed your allocation**.

If an order is placed for more tickets than your child has been allocated, **the entire order will be cancelled**, and you will need to complete the purchasing process again. Unfortunately, this may result in tickets for your preferred performance no longer being available. Should this happen, you will be notified via the **Arbor App**.

These arrangements are necessary to ensure that we remain within the safe capacity limits of the school hall and that as many families as possible can enjoy these special performances.

Please arrange childcare for younger children on your chosen day(s); this is the only school event where we make this request, but the pupils will have worked extremely hard to produce a high quality performance and therefore deserve the audience's undivided attention.

Thank you for your understanding and cooperation. We look forward to welcoming you to our Christmas Nativity productions and sharing this special celebration with you.
