Christmas Nativity Plays

We are already beginning our Christmas preparations. As you know, each child has been allocated a role in their Christmas Nativity performance and festive songs are being heard around the school.

Performances take place between Monday 7th December and Thursday 10th December. Please visit the diary page of our website to see the date and time of your child's production.

So that families have plenty of time to make arrangements, tickets for our Christmas Nativity performances will be available to purchase from **08:30 on Wednesday 18th November** until **14:00 on Friday 27th November**.

To ensure that we do not exceed the capacity of the school hall and that every family has a fair opportunity to attend, **each child** has been allocated a set number of tickets. The number available varies between year groups because of the different numbers of pupils taking part in each Nativity production.

Ticket Allocations

- **Cwtch Derbyn and Cwtch 1**: **4 tickets per child**
- **Cwtches 2 and 3**: **3 tickets per child**
- **Cwtches 4, 5 and 6**: **2 tickets per child**

You will be able to purchase tickets at the 'School Shop' on the Arbor app.

Tickets cost £2.50 each

Important Information

Please take careful note of the **TOTAL number of tickets** that your child has been allocated. You are welcome to divide your allocation between different performances if you wish. For example, if your child has been allocated four tickets, you may choose to book two tickets for one performance and two for

another. However, the total number of tickets ordered **must not exceed your allocation**.

If an order is placed for more tickets than your child has been allocated, **the entire order will be cancelled**, and you will need to complete the purchasing process again. Unfortunately, this may result in tickets for your preferred performance no longer being available. Should this happen, you will be notified via the **Arbor App**.

These arrangements are necessary to ensure that we remain within the safe capacity limits of the school hall and that as many families as possible can enjoy these special performances.

Please arrange childcare for younger children on your chosen day(s); this is the only school event where we make this request, but the pupils will have worked extremely hard to produce a high quality performance and therefore deserve the audience's undivided attention.

Thank you for your understanding and cooperation. We look forward to welcoming you to our Christmas Nativity productions and sharing this special celebration with you.
