Bishop Childs Primary School

Following complaints received regarding parking behaviour at school drop-off and pick-up times, and concerns about pedestrian safety in the area surrounding Bishop Childs Primary School, Cardiff Council's Enforcement Team and the Neighbourhood Policing Team will be monitoring the area.

We would like to remind all parents and carers to park legally and considerately when travelling to and from the school. Unsafe or inconsiderate parking can obstruct visibility, create hazards for pedestrians, and impact residents.

We are aware that the school has worked closely with Tesco to maintain a Park & Stride arrangement, which allows parents and carers to park free of charge when dropping off or collecting children. We encourage families to make use of this facility wherever possible. The car park provides a convenient alternative and has sufficient capacity to accommodate school related journeys.

By choosing to park responsibly, or by using the Park & Stride facility, you can help improve safety for everyone travelling to and from the school while also reducing congestion in the surrounding streets.

Thank you for your cooperation and support in helping to create a safer environment for pupils, families, residents, and the wider community.
